“
Awesome evening at Inner Drive New Malden. We were a group 16 using 4 bays for 2 hours. From my initial enquiry to the night, everyone involved was professional, friendly and very helpful. Shout out to Emma who dealt with the enquiry and booking to Charlie and James on the night.

“
Great experience bringing a group of 23 young people. The staff were great in dealing with our booking and on the day, they were even better. The kids had a great time, and I would definitely recommend a visit.
